Profile Summary

- Full Stack Web Developer skilled in building responsive, user-friendly applications using React, Node.js, and Express.
- Proficient in working with databases like MySQL and MongoDB, ensuring efficient data handling.
- Strong in debugging, problem-solving, and delivering scalable, maintainable solutions.
- Knowledgeable in front-end frameworks like Bootstrap and Tailwind CSS to build modern interfaces.

Education

H.N.B Garhwal University, Srinagar
Bachelor's of Computer Applications

2023-2026
CGPA : 8.18

Madhur Memorial Public Sr Sec School
Senior Secondary School Examination

2023
84.8 %

Madhur Memorial Public Sr Sec School
Secondary School Examination

2021
94 %

Experience

Full Stack Developer Intern
NovaNectar Services Pvt Ltd

25 June 2026 - 10 Aug
2026

- Developed and maintained full-stack web applications using the MERN stack (MongoDB, Express.js, React.js, and Node.js).
- Built responsive user interfaces and integrated RESTful APIs for seamless data communication.
- Worked with Git and GitHub for version control and collaborative development.
- Participated in debugging, testing, and optimizing application performance.
- Collaborated with team members to implement features and deliver project requirements on time.

Projects

CollabZoneX - Node.js, Express.js, MongoDB, Tailwind CSS

[GitHub](#) 📄

- Developed CollabZoneX, an influencer-brand collaboration management platform that streamlines campaign creation, influencer discovery, and partnership workflows.
- Built a responsive user interface and implemented secure authentication, role-based access control, and real-time collaboration features.
- Designed and integrated RESTful APIs using Node.js, Express.js, and MongoDB for efficient campaign management, communication, and data handling.

Clothify Fashion - React.js, Node.js, Express.js, MongoDB, Tailwind CSS

[Live](#) 📄

- Built Clothify, a full-stack fashion e-commerce web application using MongoDB, Express.js, React, and Node.js (MERN stack) with secure authentication and dynamic product management.
- Implemented real-time cart, order tracking, and secure payment integration (Razorpay/Stripe) to provide a smooth shopping experience.
- Designed a responsive and interactive UI with React and Tailwind CSS, ensuring fast performance and seamless user experience across all devices.

Technical Skills

Programming Languages: C++, Python, JavaScript, R

Frontend: HTML, CSS, React.js, Bootstrap, Tailwind CSS

Backend & Database: Node.js, Express.js, MySQL, MongoDB

Tools & Collaboration: Git, GitHub, VS Code, Thunder Client

Other Skills: RESTful APIs, Data Structures & Algorithms, Problem Solving

Achievements / Extracurricular

- Successfully completed the Delta Web Development Certification Course by Apna College (2026), gaining hands-on experience in Full Stack Development. [Certificate](#) 📄
- Currently supporting **Sanyukt Organisation, Bhubaneswar, Odisha, India** remotely by managing and promoting the NGO's social media platforms, and creating posters, graphics, and content posts to enhance digital outreach and community engagement.
